Place It Forward

by Dave Dunn

This book isn’t for a shelf or a drawer
It can make your self-worth soar.

How to make the most of now
Show you where to go and how.

Daemons out and thrust galore,
Plan a Future with so much more

You’re enough to do a great things
Make your mark and impressings.

Use this book to change your fate
Then help others; don’t hesitate.

Put a copy where one can find-it
Hope they know that God’s behind-it.
